Exhibitors Voice

We've been regular attending the show for the past 4 years, with over 1000 sqm stand every year. We are very satisfied with the service provided, and really get what we came for. Totally RMB 200 million contracts/agreements were made during the 5-day show.

This is our third time to participate the event, and many of our competitors are here. We are very satisfied with the management, service provided and the quality of visitors. At the very first day of the show, we made a single contract of 14 CNC Gear Grinding Machines, with RMB 37 millions.
