

## Bombay Exhibition Centre, Mumbai, India 6-9 May, 2010

Welcome to the world of **MATERIAL HANDLING & STORAGE EXPO 2010 (MHS'10)** scheduled to be organized at the Bombay Exhibition Centre, Mumbai (INDIA) from the 6th – 9th May 2010.

**MHS'10** will be organized in conjunction with the **6th International Machine Tools Expo (IMEX'10)**. The synergy emerging from the concurrent events will be a unique advantage to the visitors. Being closely connected, the subjects will build on each others strengths which will result in substantial business for the exhibitors.

The material handling & storage solutions market in India, over the last couple of years, has witnessed a growth rate nothing short of phenomenal. Industry sources attribute the surge to the overall growth and development in the infrastructure & manufacturing sector.

**MHS'10** endeavors to offer a unique gateway for international as well as domestic manufacturers / suppliers of material handling equipment and storage solutions to benefit from the rapidly growing Indian market.

The event will be promoted extensively across India and the region. The visitors will comprise key decision makers from across the manufacturing and infrastructure domain.

Space is limited so please act quickly.
