## FIRE & SECURITY PAKISTAN 2009 - SHOW OVERVIEW

The 5th International Fire & Security Exhibition & Conference - **FIRE & SECURITY PAKISTAN 2009** once again proved as a premier showcase of the innovative fire, safety and security technologies such as surveillance devices, anti-theft systems and rescue equipment. The show also continued its tradition of featuring live demonstration of the latest fire fighting techniques. This year Fire & Security Pakistan witnessed enthusiastic participation of local & international companies and provided numerous networking opportunities to the participants.

**Fire & Security Pakistan 2009** was held in concurrence with the leading Pakistan Oil, Gas & Energy Exhibition and Conference - **POGEE 2009**. This ideal conjunction of the two events fostered business activities in their corresponding fields.

## INAUGURAL CEREMONY

The exhibition was inaugurated by Dr. Asim Hussain, Advisor to the Prime Minister for Ministry of Petroleum & Natural Resources. The ceremony was also graced by the presence of Mr. Farhat Hussain, President of Fire Protection Association of Pakistan (FPAP); Mr. Abdul Sami Khan, Chairman CNG Dealers Association & Pakistan Petroleum Dealers Association; and Mr. Aasim Haq, Director SAP Pakistan.

The inaugural ceremony was largely attended by prominent industrialists, local and international exhibitors, diplomats and representatives from media.
