Further Information

The Allworld portfolio of six dedicated machine tool exhibitions cover the key manufacturing centres of Singapore, Malaysia, Indonesia and Vietnam as well as the only regional exhibition serving Southeast Asia as a whole.

The Allworld events collectively deliver unrivalled access to more than 75,000 of Southeast Asia's most important buyers of machine tools, precision engineering and metalworking technology.

From Proton and Perodua to Hi Com and Hitachi, our visitors are carefully researched to ensure that not only are you meeting representatives from the regions most important manufacturers, but that it is the decision makers from those companies who attend the show.

So, whether you are looking for comprehensive coverage of a single country or simply to meet the regions key buyers, Allworld have an exhibition that can help you succeed.

Overseas Exhibition Services Ltd

Overseas Exhibition Services Ltd is a member of The Allworld Exhibitions Alliance, formerly known as The Montgomery Network (TMN).

Founded more than 36 years ago, we provide a number of vital services to the Alliance members, including overseeing their world-wide sales and marketing efforts through the Allworld sales offices and agents in 34 countries, spearheading the establishment of new Allworld offices around the world, developing new exhibitions in partnership with other Allworld members and the maintenance of high quality control in exhibition standards.

Further Information on Allworld Exhibitions, Overseas Exhibitions Services Ltd and all the other machine tool, precision engineering and metalworking technology exhibitions organised by members of The Allworld Exhibitions Alliance, are available from:
